

COMPLETE 2026 SHOWROOM CATALOGUE

Aster

TILES/ WOODEN FLOORS/ BATHROOMS

THE TILE COLLECTION

119 CURATED SURFACES

Every showroom surface, paired with its tile face and an individual room concept - one complete guide to choosing with confidence.

ASTER TILES - LIFFORD, CO. DONEGAL

WWW.ASTERTILES.IE

WELCOME TO ASTER

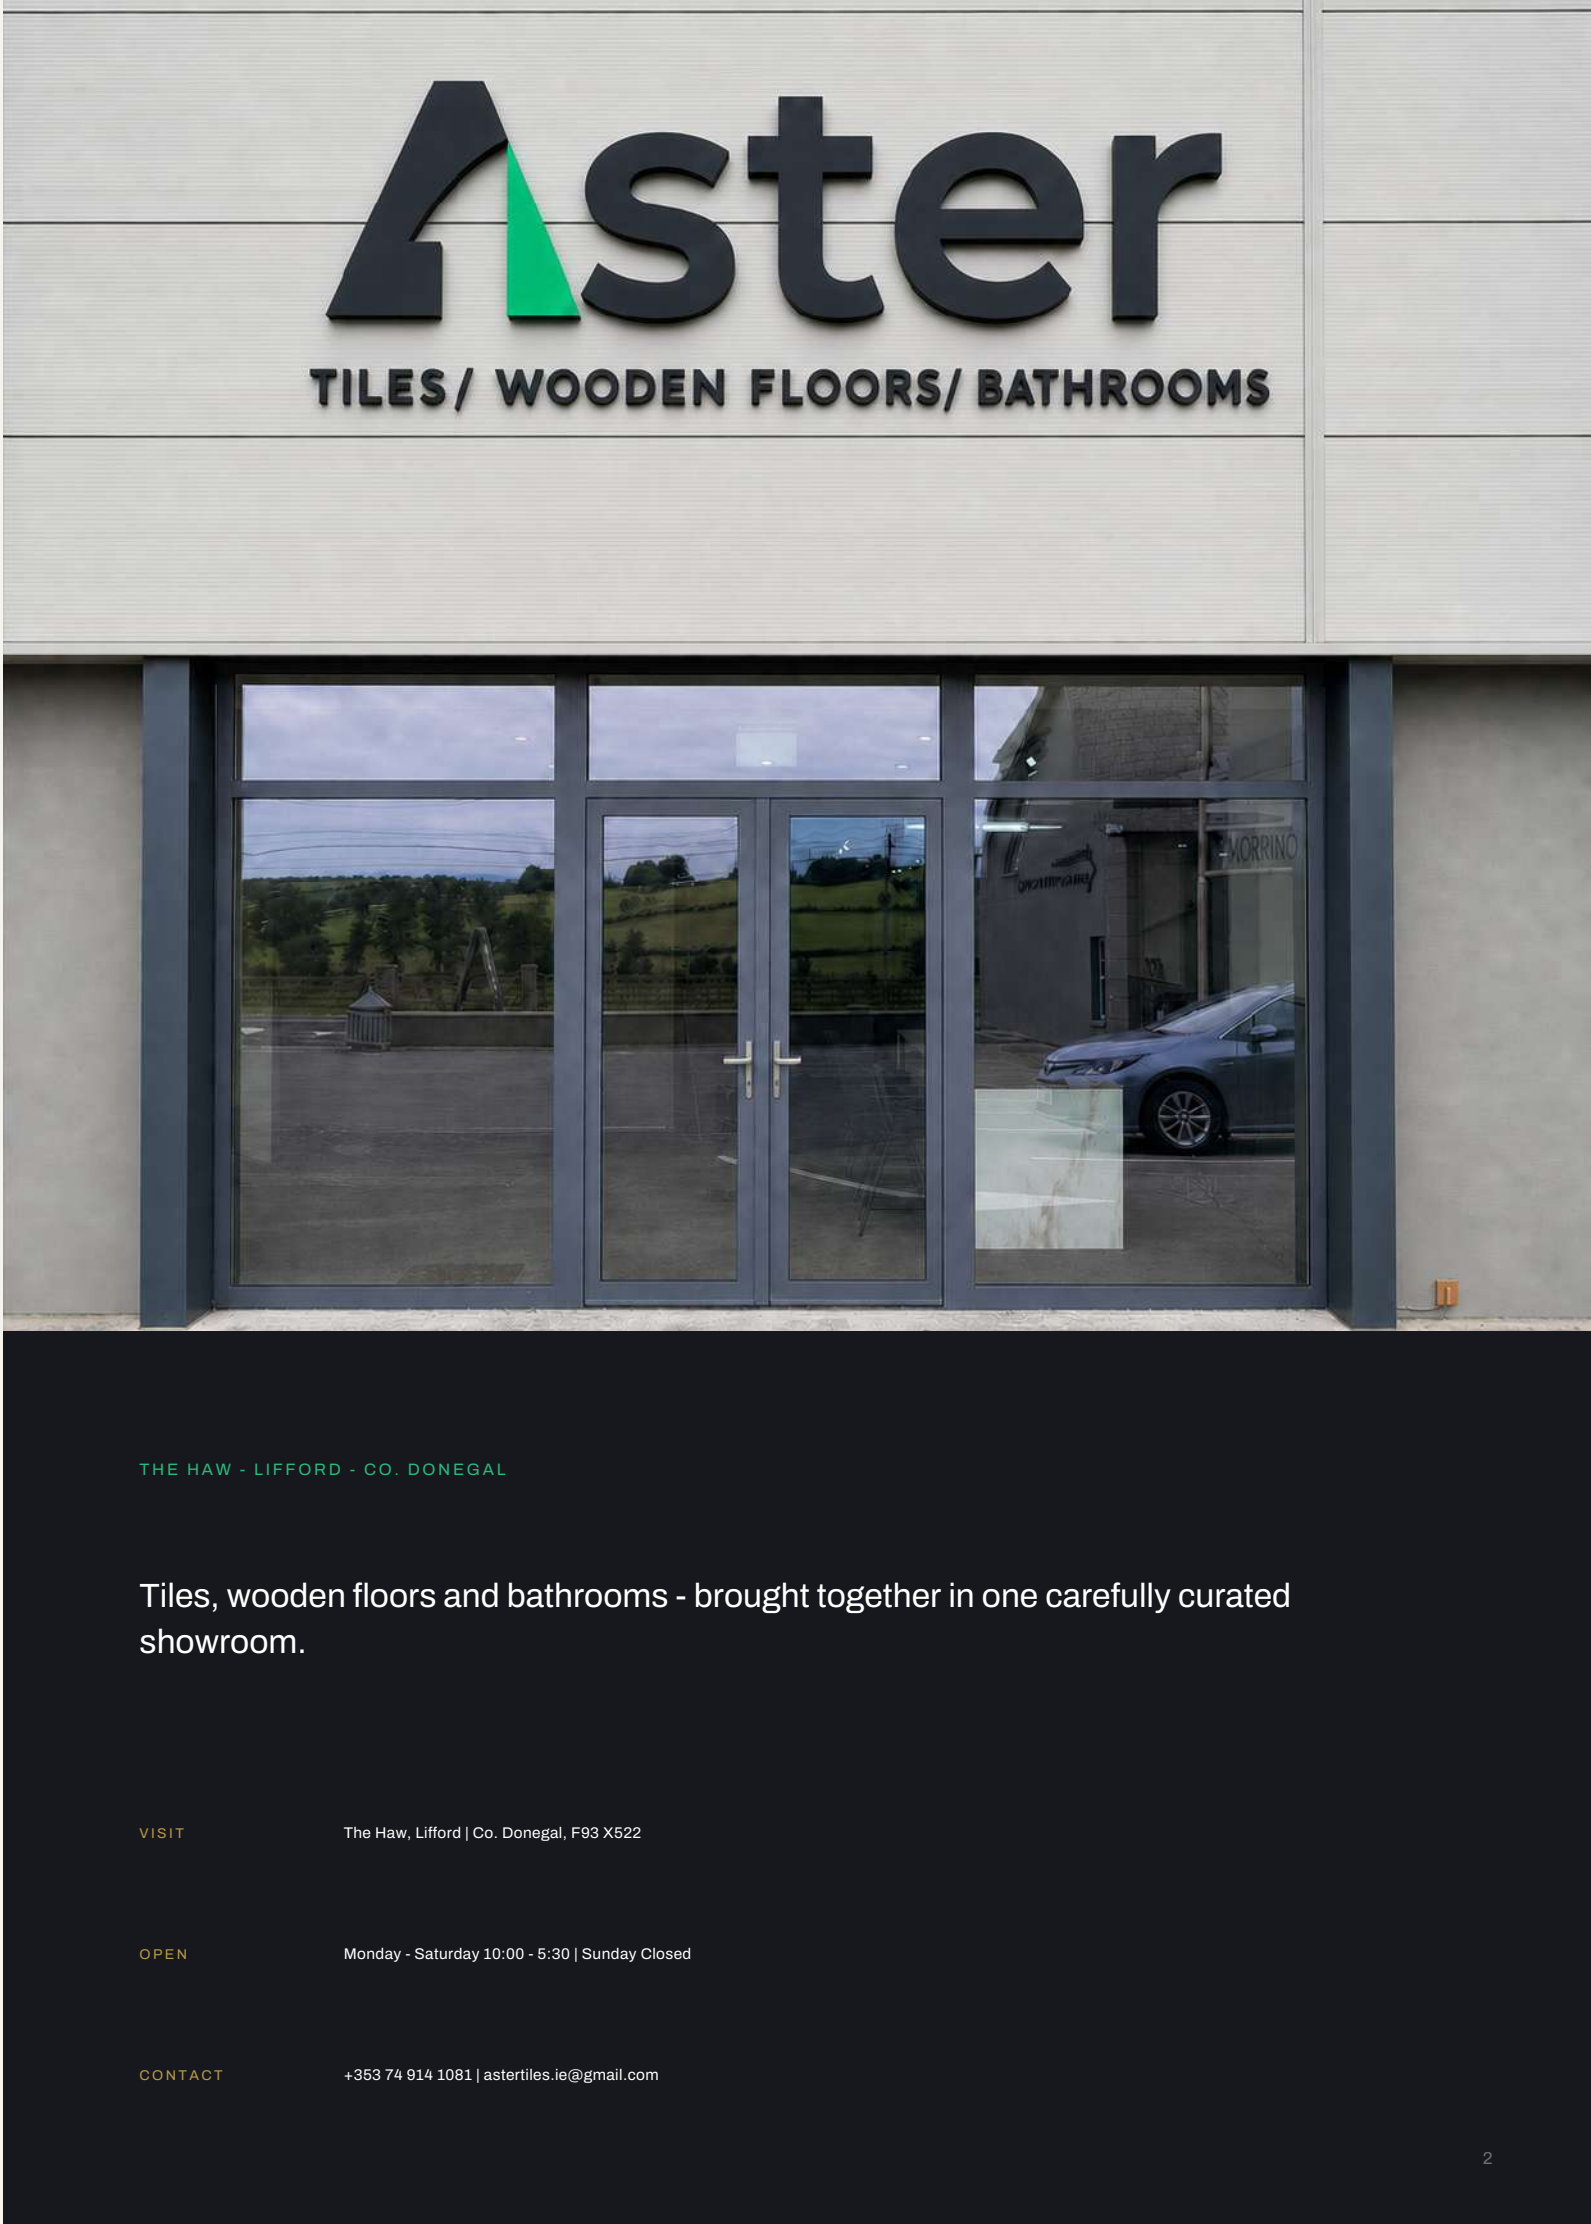

See every surface. Imagine every room.

This complete showroom edition turns the structured display list into an image-led catalogue. Every large-format record has its own full tile face, recorded finish and room visualisation for a clear, consistent way to explore the collection.

Use the room scenes for inspiration, then compare the physical surface in our Lifford showroom before ordering. Screen, print, lighting and production batch can affect perceived colour.

THE COLLECTION

800 X 1600 MM

Expansive surfaces for flowing floors, bathrooms and confident feature walls.

800 X 1600 MM

28 COMPLETE SURFACE STUDIES

Every workbook entry in this collection now has a full product study: sourced face, recorded finish and an illustrative room created from that surface.

VENUS BIANCO

OPERA ONYX BLUE

TASMANIA GREY

DAVIS SKY

PORCELAIN WALL & FLOOR TILE

MEASUREMENTS: 800 X 1600 MM

FINISH: GLOSSY

NOMINAL TILES PER SQ M: 0.78

A pale stone surface crossed with expressive grey movement. Davis Sky brings a fresh, polished character to bathrooms and feature walls while remaining light enough for spacious, connected interiors.

ROOM DETAIL

ORIGINAL TILE FACE

FROM SURFACE TO SPACE

Start with the material, then test the room

- 01

SEE THE FULL FACE

Read the vein, movement and tonal range across the complete tile image.
- 02

TRY THE ROOM VISUALISER

Upload a room photo online and explore how a selected surface changes the space.
- 03

VISIT THE SHOWROOM

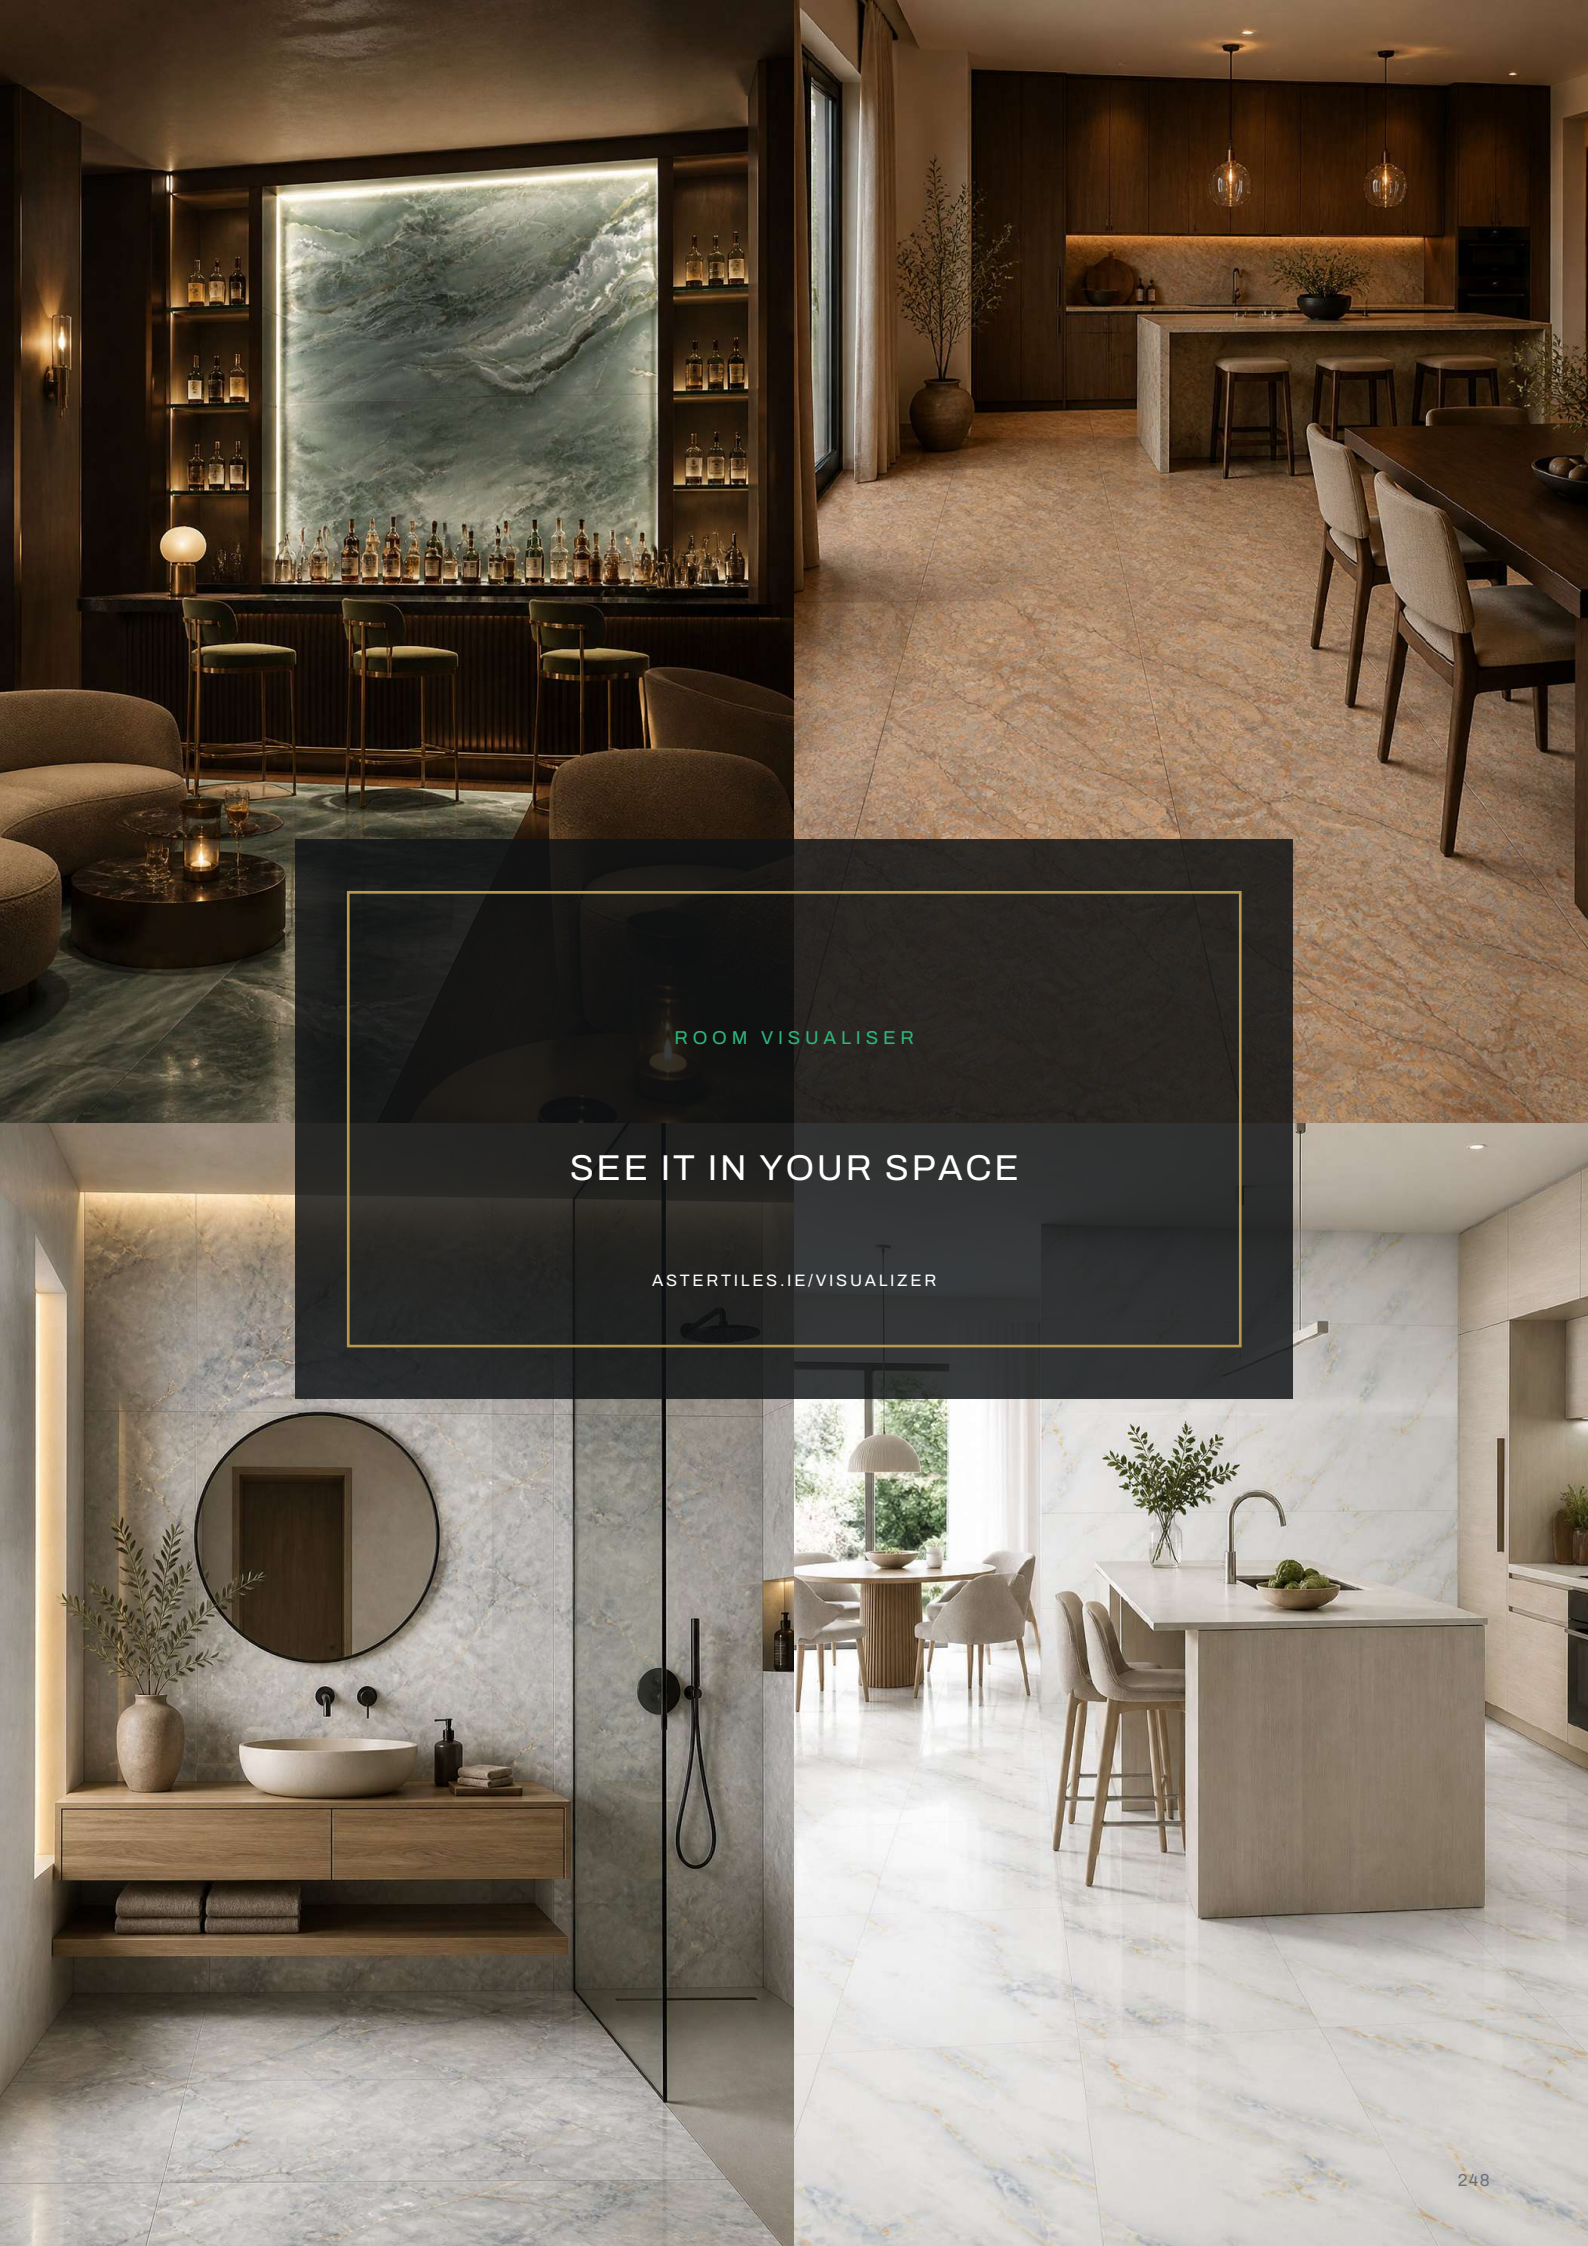

View a physical sample at true scale and under natural and artificial light.
- 04

CONFIRM BEFORE ORDERING

Check batch, shade, finish, suitability, slip rating and stock with the Aster team.

DESIGN VISUALISATION NOTE

Room images in this catalogue are AI-generated design visualisations informed by the original tile face. They are illustrative only. Print, screen, lighting, installation pattern and production batch can change perceived colour and scale. Always confirm against a physical sample before ordering.
